

2010 Estimated Expenses for Students Studying at CELOP

This information is for planning and for preparing your Financial Declaration. Please note, all F-1 students must submit a Financial Declaration showing available funds for the **total** estimated expenses of the program, even if they do not want to live on-campus. The total estimated expenses include tuition, fees, housing, meals, medical insurance, and personal living expenses. Transportation to and from the United States is not included.

* Room/Meals: Based on costs for B.U. Housing; living in a shared room (2+ people) in a dormitory. Depending on the availability, some students may be assigned to other accommodations, which may cost more. All students in B.U. dorms must have a meal plan. Several plans are offered. The above estimate is based on the unlimited meal plan. Less expensive plans are available. Estimates are subject to change.

+A nominal fee for Internet access, ResNet (\$160—subject to change), is automatically charged to those assigned on-campus housing during the Fall and Spring semesters. If you will not be accessing the Internet from your dormitory, a waiver of this fee is available. This fee is not assessed in the summer.

**Fall semester medical insurance rates cover the Fall, Spring, and Summer semesters. Rates are estimates only. Please contact us or visit our website to receive the most up-to-date information.

***Personal Expenses Estimate: Includes costs for books and supplies, laundry, and other miscellaneous expenses. These are only estimates. Your actual expenses may be higher.
