CRITERIA USED BY THE NOMINATING COMMITTEE FOR NOMINATIONS:

- a) Nominate council members for whom service is part of the merit review process*
- b) Assure broad representation of MET academic programs*
- c) Service on some committees requires special knowledge*
- d) Facilitate rotation of council members among different committees*
- e) Re-nominate some committee members from one year to another for continuity*
- f) Take into account preferences expressed by council members for serving*
- g) Allow council members to nominate other members for committee service*
