

We'll save
a seat for you.

Name a seat in honor of someone special—even yourself—in the Curtis Auditorium at Boston University Sargent College of Health and Rehabilitation Sciences when you give to the Sargent Fund at the leadership level (\$1,000 or more). The auditorium, Sargent’s largest lecture hall, is where hundreds of classes and events are held every year. This is a unique opportunity for supporting the excellence of the College—and for sharing your pride in a way that’s visible to the entire Sargent community.
